Message from **Dr. Charles Karuku**

Lead Pastor

There are moments when the Church must rise with clarity, compassion, courage, and conviction. We believe this is one of those moments.

This summer, The Hub is launching a major outreach campaign through Bless Burnsville, mobilizing volunteers from June through August to serve our city, evangelize on the streets, pray for families, bless children, support families, and bring the hope of Jesus Christ to our community in a visible and practical way.

But this vision is bigger than one city. We are believing God for 300,000 souls to be reached with the Gospel before 2026 is over through local outreach, citywide evangelism, Bless Burnsville, and stadium crusades in Tanzania, Panama, and the Islamic Republic of Pakistan.

To accomplish this, we are believing God for three major things:

1. 300,000 souls reached.
2. \$300,000 needed for outreach and missions.
3. 300 volunteers mobilized to serve, evangelize, pray, give, and go.

Our cities are changing. Families are hurting. Young people are searching. Nations are shifting, but we still believe the Gospel of Jesus Christ is the power of God unto salvation.

We are not moved by fear. We are moved by love. We are not against people. We are for the Gospel. We believe every person matters to Jesus, and every soul is worth reaching.

That is why I am asking you to prayerfully consider partnering with us. You can be part of this movement by volunteering, giving, praying, serving, or helping us spread the word. Your yes can make an eternal difference.

Someone may meet Jesus because you served. A family may be restored because you prayed. A child may experience the love of God because you showed up. A nation may be touched because the Church decided to rise.

Together, let's believe God for 300,000 souls, \$300,000, and 300 volunteers before 2026 is over. The harvest is now.

With faith and expectation,

Dr. Charles Karuku

Lead Pastor,
